Dog Treat Trail

COLUMBUS

Suggest a Dog Treat Trail Stop 🐾🐾

Found a dog treat stash, stick library, water bowl, or toy box in Columbus? Add it to the map! Quick note before you submit — a few things help us keep the map useful and up to date:

- **It should be easy to find.** If there's no sign or obvious structure, include a landmark in your notes (e.g. "blue mailbox next to the porch").
- **It should be usable most of the year,** not just during summer or the holidays. Seasonal stops are welcome too — just flag them as seasonal below.
- **If it's at a business,** it needs to be free, out any time they're open, and an actual designated stop (not just a jar someone might move).
- **Keep it family- and dog-friendly.**

Stops that don't quite fit these might still be great — just let us know in the notes and we'll take a look.
